

RED GINGER HOME CHARITY SHOPPING EVENT

FROM ONE HOME TO ANOTHER...

Coastal Habitat for Humanity (CHFH) has received a generous gift of \$3942 from Red Ginger Home of Red Bank. The donation was the result of a weeklong charity shopping event which is held each year by Red Ginger Home for a local charity. A portion of the sales for the week were donated to CHFH to address poverty housing here in Southern Monmouth County. Maureen Mulligan, Executive Director of Coastal Habitat, expressed her gratitude to owners Rob Amend and Michael Yavorsky. "This gift will help fund our *Neighborhood Revitalization Initiative* and assist low income families by improving the safety, energy efficiency, durability and overall appearance of their homes. We wish to extend our heartfelt gratitude to owners Rob and Michael for their sincere & generous support and strong commitment to our local community."
